Mr. Petersen,

I sent you three videos from my personal email. Let me know if you did not get them. Also, let me know if there is anything we can do to assist in this investigation. If you'd like us to NOFI Crosstex, the company listed on the No Dredging sign, we'd be happy to. You can reach me at 985-397-3299

Very Respectfully,  
MST3 Rebecca Fuller
